Project Information

Which grade level(s) will be impacted by the proposed project?

How many students will be impacted by the proposed project?

How many staff will be impacted by the proposed project?

Which Michigan Green School category does this proposed project fit?

Energy

Environmental Protection

Recycling

Miscellaneous

Briefly describe the proposed project that will be established using grant funds:

Project Plan

Describe the items that will be purchased with grant funds. Provide details including a product description, where each item will be purchased, cost of the item, and shipping costs (if applicable).

What is the total amount of funds requested on this grant application (maximum grant award = \$500)?

Who is responsible for, and who will be involved in, planning and implementing the project at your school?

The grant award announcement will be awarded January 25, 2019. If awarded the grant funds, what is the project implementation timeline?

Plan for Communicating Success

Describe how you plan to communicate to the Van Buren Conservation District the outcomes and impacts of the project. (Consider including pictures, testimonials, statistics, etc.)

Plan for Educating

Describe in detail how the students and staff will learn about the project, how they can participate in the project, and how to use the equipment and supplies.

Long Term Effectiveness

What steps have been taken and will be taken to ensure the project will be maintained long term?

Reminder

- Applicants **MUST** call Emily Hickmott 269-657-4030x5 after emailing your application to verify that the email was received.
