

SWxSW Corner CISMA Strike Team Crew Member

POSITION SUMMARY

The SWxSW Corner CISMA Strike Team Crew Member manages invasive species through the use of chemical and mechanical methods on public and private property ranging from highly-invaded to high-quality areas. Primary responsibilities include invasive species management on predetermined sites using best management practices, surveying public and private properties for invasive species, installing and checking spotted lanternfly tree-band traps, operating and maintaining brushcutters and other equipment, and recording/reporting data. The Crew Member will aid the Strike Team Crew Lead in completing duties assigned by the Strike Team Coordinator.

BACKGROUND INFORMATION

The SWxSW Corner Cooperative Invasive Species Management Area (CISMA) is a grant-funded collaborative organization that works with regional partners to minimize the impact of invasive species in Berrien, Cass, and Van Buren Counties. The CISMA works to help citizens, land owners, and land managers understand the threats of invasive species and manage them in our area. The CISMA is housed in the Van Buren Conservation District (VBCD) office in Paw Paw, MI where the Strike Team will be headquartered. A work truck, trailer, and UTV will be provided by the VBCD.

COMPENSATION

The Strike Team Crew Member is a seasonal position, working up to 40 hours/week for up to 30 weeks (April-November). This position is not exempt from overtime requirements, with an hourly wage of \$15-\$17/hour, depending on experience. Seasonal positions are not eligible for benefits except those required by law.
