

Markers

- Includes all brands of plastic markers, highlighters, and dry-erase markers.
- Crayola Colorcycle
 - Check with your local school to see if it is registered with Crayola Colorcycle for marker recycling.
 - To access the program, a school must be registered with Crayola Colorcycle. Community members are encouraged to bring their markers to the school to donate unwanted markers, so long as the school is willing to be a host in this way. Encourage your school to do this!
