

Sharps

- *Sharps must be in Sharps Container or in thick plastic jug (e.g. detergent bottle) labeled “Sharps” if there is not a sharps container already provided by the disposal service.*
- **We recommend purchasing a BD Safe-Clip (Available at Walmart for ~\$8) to clip the ends off of the needles. The clipped part will be stored in the BD Safe-Clip.
 - The syringe can then be discarded in the trash.
 - When the BD Safe-Clip is full (holds up to 1,500 needles), discard it in the trash.

Sharps

- Free Sharps Collection Services offered at Van Buren/Cass District Health Department's Lawrence and Dowagiac locations
 - Van Buren and Cass County residents can now dispose of used hypodermic needles, syringes, and lancets, more commonly referred to as "sharps" at the Van Buren/Cass District Health Department offices located at 260 South Street Lawrence, MI 49064 and 302 South Front Street, Dowagiac MI 49047.
 - One day every three months. See website for details: <https://vbcassdhd.org/sharps-collection/>
