LOCAL FLAVOR, LOCAL FUN: DISCOVER VAN BUREN COUNTY

Van Buren County and its neighbors are home to stunning nature and the amazing food and fun it brings. From fresh fruits and veggies to meats and more, our corner of the Mitten has it all! In the state, Van Buren County is 2nd in fruit, tree nuts, and berries; 5th in Christmas trees; and 6th in vegetables! Explore our (Food, Farm, & Fun) Guide to discover local food and endless fun along the way.

So, what makes local food so special?

Fresh and Healthy

Local food is fresher, which means it tastes better and has more nutrients.

Better for the Earth

Local food doesn't travel as far, so it creates less pollution and helps the environment.

Know Where It Comes From

When you buy from local farmers, you can ask them exactly how they grow or raise the food.

Supports Our Community

Buying local helps keep money in the area, supports local jobs, and keeps farms in business.
